The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for sanitary sewer improvements for the Northwestern Water and Sewer District in FY 2024. The entity to receive funding for this project is the Northwestern Water and Sewer District, **located at 12560 Middleton Pike, Bowling Green, OH 43402.**

The funding would be used to construct and install an extension of sanitary sewer, force main, regional pumping station, lateral service connections to individual homes, and miscellaneous appurtenances to provide a complete, functional sewer system to the community. This project will eliminate pollution to the Lake Erie watershed due to failed septic systems and will benefit Wood County by removing local pollution in area streams. This project is an appropriate use of taxpayer funds because it will have a substantial benefit to the health and safety of the area residents and the Lake Erie watershed.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et. seq.

I certify that neither I nor my immediate family has any financial interest in this project.

I hereby certify that this request will be made publicly available on my Official Website as required by the House Appropriations Committee's policy that only posted requests will be considered.

Sincerely,

Robert E. Latta
Member of Congress
